

MEET OUR NEW ADMINISTRATIVE INTERN MRS. HOLYOKE!

Hello amazing Butterfield Canyon families! My name is Veronica Holyoke. I will be working at Butterfield as an administrative intern while completing my administrative licensure program at Utah State University. I will be working very closely with your assistant principal and principal on all things Butterfield Canyon. I can't wait to get to know everyone!

This will be my 23rd year working in education. My husband Brian and I moved to Utah, from Maine in 2012 where I taught for 13 years, primarily teaching fifth and third grade. I did spend a year teaching 6-8th grade reading, one year as a second grade Title One teacher, and two years as a Pre-K to grade three librarian in Maine. I've taught the past nine years for Jordan district. I taught fifth grade for one year at Columbia Elementary, then was the BYU Intern Facilitator there for three years. My husband and I moved to Daybreak in 2016 and that's when I moved over to Eastlake Elementary. At Eastlake I taught fifth grade in the dual language immersion program for three years and then was their instructional coach for two years. Now I'm heading into administration!

I've been married to my husband Brian for 14 years. We unfortunately have no children of our own but we have a 2 1/2 year old yellow labrador retriever named Ginger, who is so sweet, and a little crazy. We love to travel to Scotland and to Florida to sit and play on the beach. My younger sister and her family live with us and I love to travel with them to Walt Disney World and Disneyland any chance we get. I also love to garden, cook, and read, and study and learn how to be a better teacher.

I am so excited to begin this new adventure with all of you!
