Ineligible Busing Request Form

- 1. Verify if your child qualifies to ride a bus, based on your address. If so, you DO NOT need to complete this busing request form.
 - Navigate in a web browser to: <u>https://planning.jordandistrict.org/boundaries/</u>
 - ✓ Under the header **Bus Stop and Address Query**, select the bus icon.

* Be sure to select the correct school year.

✓ In the WebQuery enter your address. Then click Go. It will show whether your child is eligible for busing or if you live within the walking boundary. If you are bus eligible you do not need to fill out this form.

Welcome to edulog's WebQuery	
WebQuery helps you determine the schools a student is eligible to attend and the available bus stops. WebQuery also provides a helpful street map. Just enter the student's information and click "Go."	
WebQuery works best if an address is entered with a house number, a single character direction, and a street name. Directions such as North. South, East or West should be entered as N, S, E or W. You may also enter a partial address. For example, you could enter "2555 S Lexing" to match "2555 S Lexington Ave"	r Information:
