Dear Parents of Incoming Kindergarten Students,

We are excited to let you know that Butterfield Canyon Elementary will have one full-day kindergarten class! The students in this class will follow the same 9:00-3:35 schedule as students in grades 1-6. While full-day kindergarten can have powerful results for students who need extra time, practice and enrichment in a school setting, it's not always the best fit for all students. This is an optional opportunity. There will be two half-day classes available as well. One AM and one PM half-day class.

Students will be accepted for full-day kindergarten based on the following criteria:

1. Student need (based on PEEP exit assessment)
2. EL identification
3. Mixed ability levels (based on PEEP exit assessment—determined by lottery)

The PEEP exit assessment will be used to determine enrollment for the full-day class. All incoming kindergarten students will take the PEEP exit assessment. *Please note that this PEEP exit assessment does not replace the KEEP entrance assessment given to all kindergarten students at the beginning of the school year.

Students who attended a Jordan District preschool during the 2022-2023 school year have already taken the PEEP exit assessment and will not need to schedule an appointment.

Please look for an email that will be sent out for you to sign up your incoming kindergartner for the PEEP test for the week of May 15th-19th, 2023. You may call in on or after July 11th, 2023 to know your placement and we will send you a letter in the mail confirming your placement. Thank you for your patience as we start this new journey together!
