Agenda:

- Call to order and approval of minutes from BCE SCC Meeting, November 20, 2020
 - Approved
- COVID 19 Update to be given by Michelle Peterson
 - Latest numbers?
 - Review of on-going COVID plan
 - Do not quarantine if mask-to-mask
 - Only if at lunch and unmasked
 - Has there been any changes to the Administration's plan since our last meeting?
 - No
 - Bring treats in 24 hours prior to party

- Herriman City- review results of traffic study completed at Rose Crest and Blayde roads
 - Engineering Dept. went out multiple days
 - morning very few crossed
 - Pm 7-9 children that walked home
 - One standard must be met
 - 10 children must cross regularly
 - If kids are rerouted to Desert Lilly and turn west on Rose Canyon rd
 - Cross at cross walk with crossing guard at Ivy Farms
 - How do we ensure that parents and children use the new route
 - More children might use during the spring or warmer months
 - Police officers are sent out to help educate the children to use the new route
 - Another option is to remove the old cross walk stripes
 - Some voice concern that it still looks like a crosswalk
 - Paint wears off and people continue to treat as crosswalk
 - Pedestrians always have the right away
 - If people notice old crosswalks, please alert the city and they will come paint over them again
 - Two different types of crosswalks
 - Zebra stripes are schools and cannot go through until the entire crosswalk has been cleared
 - Two line crosswalks car can cross when person clears the way
 - Government funding will be used to build continual road on Blayde road
 - Ivy Farms crossing crosses Rose Canyon Road
 - After review
 - Have them cross Rose Canyon Road and remain on that side
 - Cross guard will be moved about 20 feet
 - Could a crosswalk light be placed
 - Flashing lights is very expensive
 - \$200k-500K per light
 - Wait list based on priorities
 - BCE Council approves of new plan
 - City will keep BCE council informed with a new map for the school safe walking route
 - City will snowplow the safe walking route
 - Clarification regarding the voting process of the use of Landtrust money for 2021
 - The State of Utah will conduct training with the Principals in February 2021

- Streamlining the process and telling Principals how they should establish a goal
 - Michelle Peterson will follow up with BCE Council once she learns more
- Leadership Fundraiser- What happens if the fundraiser falls short of monetary goal?
 - Money covers-
- Licensing cost
- School wide incentive program
- Leadership notebook used by students
- We might have to be flexible due to COVID situation
- There might be some funds left over from last year
- Speech therapist turnover
- Open Forum

to see what she can do

sions that led them to depart

- Zoom meetings will continue but BCE Council has ability to attend in person
