

# LIBRARY LIFTOFF

Our school year is underway and we are excited to announce our brand new reading program, LIBRARY LIFTOFF, that will be introduced to all 3<sup>rd</sup> – 6<sup>th</sup> graders the first week of October. This is an optional reading program being run by our amazing media specialists. The goal is to motivate and inspire students to read around the library, suggesting different kinds of books that they may not be used to reading. Students will receive detailed instructions on how this program works and what monthly incentives they can earn. We hope you will support and encourage your students to participate!
