Why a **LEAD•A•THON**?

Develop and promote Leadership skills in students

How?: Students participate in daily leadership activities at school and at home. Each activity they do is worth points. Teachers and parents initial off the activity and students earn points.

What do they get?: Besides that awesome feeling they will get inside, students who earn 100 points or more will also be able to participate in a grade level reward activity at school.

Raise funds for Leadership Program. 100% of all funds go directly to benefit students, not administrative costs

What?: Donations used for:

- Leader in Me Program
- Student Leadership Notebooks
- Classroom activities and lessons
- Principal's Pride
- School Leadership Incentive Program and Token Tower

How? Making a donation is simple. You can either pay online through the school website or you can send cash in your student's envelope.

Prizes?: You know it!
