

Learning Environment Request Form
School year _____

Student Name: _____

Current Grade: _____ Current Teacher: _____

Parent Name: _____ Phone Number: _____

Please describe the educational setting your child needs in order to maximize his/her learning. **Please do not ask for a particular teacher, if you do so this form becomes null and void.** If there are other students in your child's grade level that he or she should not be in the same class with, please include this information and describe the problem. We want to be as intentional as possible when making class placements, using all available information. Many factors are taken into account as we strive to create the best learning environment possible for every student at Butterfield Canyon Elementary. Thank you for taking the time to share this information with us.
