

SCHOOL COMMUNITY COUNCIL- OCTOBER 14, 2022

PRESENT- Jay Eads, Martianne White, Janet Hall, Greta Colman, Jeanette Stooksberry, Ronda Rhodes and Erika Scott (who joined on zoom)

Welcomed new members to the school community council- Martianne White (teacher), Erika Scott and Greta Coleman (parents)

Minutes from previous meeting were approved by Greta Coleman and seconded by Tanya Eagan

Reviewed recommended timeline for school community council for future meetings.

There is a 4-6% increase with the walk to read program. Walk to Read has been very successful.

The school is no longer doing BOB- It is now a point system with the new reading program.

Went over the school report card-overall we are staying on track with the school district.

Attendance- Was brought up by Jay. There are a lot missing students on Fridays. How can we promote attendance so kids are not missing important things being taught in classrooms. Teachers are struggling on what to do so that kids don't miss anything important. Do we come up with a incentive program? Need ideas on what to do to promote attendance. We will bring this issue up again in our next meeting in January.

Communication- Teachers and parents. How do we have better communication between the 2? Don't want to overwhelm teachers with weekly progress reports but also parents would like to see better communication with teachers. What can we do? Sending out a survey was brought up. Each of us will submit 5 questions to Tanya by November 4th. Will send out survey hopefully in January.

Call to adjourn the meeting at 3:05 by Greta Coleman and seconded by Janet Hall.
