I know some students would like to pick out some of their own school supplies! If you would like to purchase your own, these are the supplies your students will need to succeed in 6<sup>th</sup> grade this year! Please have these supplies by the end of the first week of school. If you cannot provide the supplies, they will be provided.

each student will only receive (1) material on the front page if needed from me besides pencils. If the supplies are damaged or lost, I will not replace them.
