	<p>Extra or any of the supplies for individual use/classroom use is always greatly appreciated.</p>

I know some students would like to pick out some of their own school supplies! If you would like to purchase your own, these are the supplies your students will need to succeed in 6th grade this year! Please have these supplies by the end of the first week of school.

Each student will only receive one material if needed from me besides pencils. If the supplies are damaged or lost, I will not replace them.
